## URINALYSIS

**Specimen No.:** 4010236715

**Specimen:**

URINE

| TEST                                      | RESULT        | UNIT | REFERENCE INTERVAL |
|---|---------------|------|--------------------|
| MACROSCOPIC/ CHEMICAL EXAMINATIONS        |               |      |                    |
| Color                                     | Yellow        |      |                    |
| Transparency                              | Clear         |      |                    |
| Glucose                                   | Negative      |      |                    |
| Bile                                      | Negative      |      |                    |
| Ketone                                    | Negative      |      |                    |
| Specific Gravity                          | 1.028         |      |                    |
| pH (reaction)                             | 6.0 (Acidic)  |      |                    |
| Protein                                   | 30 mg/dL (1+) |      |                    |
| Urobilinogen                              | Normal        |      |                    |
| Nitrites                                  | Negative      |      |                    |
| Blood                                     | Trace         |      |                    |
| Leukocytes                                | Negative      |      |                    |
| URINE SEDIMENT ANALYSIS BY FLOW CYTOMETRY |               |      |                    |
| Red Blood Cells                           | 1             | /HPF | 0 - 2              |
| White Blood Cells                         | 1             | /HPF | 0 - 2              |
| Epithelial Cells                          | 0             | /HPF | 0 - 2              |
| Casts                                     | 2             | /LPF | 0 - 3              |
| Bacteria                                  | 0             | /HPF | 0 - 20             |
